

May 2011

Happy "May Days" to you Ladies,

So far it has been a very busy month for all of us. Our meeting on April 10th at the Rome Restaurant in Columbia turned out to be bitter sweet for our chapter. We learned that Michele Beal, our Vice President will be leaving us sometime soon. Her husband has been working in the state of Illinois for several months with River City Construction and they have decided to move there. I can't express in words how much she will be missed by all of us. Michele has been a very dedicated member and has supported our chapter with her enthusiasm, bright ideas, and a very positive attitude always backed by a brilliant smile! We are so sad but happy that her little family can be together again.

Miss Maggie and Connie gave us a presentation on "Getting and Keeping NAWIC Members" and "Marketing Passion the NAWIC Way", which entailed a lot of valuable information and new ideas to implement as we continue to strive to gain new members. We need all the help we can get, so keep at it, Gals!

2011 Spring Forum was well attended and a huge success despite the torrential rains. NAWIC members had the opportunity to get to know the Candidates running for National office personally. The seminars and hands-on project presented valuable education opportunities. There was time for making new friends and renewing seasoned friendships. Thanks to Connie Leopard and all her little elves for a fabulous event. Don't miss APC 2011 which will be hosted at the Lake of the Ozarks.

As the dust settles from Spring Forum and the wonderful memories of fun and facts have been cataloged we jump right into our Annual CSI/NAWIC Golf Tournament in Columbia, Missouri at Old Hawthorn Golf and Country Club on June 6th. This is such an important event for both CSI and our chapter because all proceeds go towards our scholarships given to a student at Linn State Technical College. Great fun and a lot of networking, always remembering the young adults trying to pursue a career in the construction industry! (Still room left for more teams so keep working it, Ladies!)

Wrapping this month up, I want to thank every one of you special women for your tireless devotion and support for this chapter and all of NAWIC's events. You are truly amazing women!

Together we "CAN" and Chapter #341 proves it, time after time!

See you on the greens,

Karla Prosser

President, Central Missouri Chapter #341

HOPE YOU HAD A SAFE AND HAPPY MEMORIAL DAY!

NAWIC June 2, 2011 Meeting

#### Vice-President's Note:

Ladies, If you have a topic that you would like to focus on at a NAWIC monthly meeting or you know someone who would be a good speaker, please share that information with me. Thanks,  
Michele Beal [mbeal@rccllc.com](mailto:mbeal@rccllc.com)

**ENJOY FAMILY AND BE SAFE!**

## NAWIC 2011 Scholarship Recipient Nicole Martin, California Missouri

Nicole graduated from Russellville Cole R-II School May of 2011. She is enrolled at Linn State Technical College in the Construction and Civil Technology and Design and Drafting Technology. She plans to attain a double degree. She also plans to one day take over her family owned construction business. "I hope to become a very well respected woman in the construction industry. I hope to inspire more women to join the construction force," stated Nicole.

May 12, 2011

To: Ms. Karla Prosser  
NAWIC Chapter #341 President  
NAWIC 2011 Scholarship

I would like to thank you all for awarding the 2011 National Association of Women In Construction Scholarship to me for \$1000. I feel very honored to have received this scholarship to help further my education. As you know, every scholarship that I receive helps me to pursue my goals. This not only helps me financially but also helps me to show the world women can take on this profession too. I thank you again for your amazing generosity.

Sincerely,

**Nicole Martin**
